Lovers Spit Broken Social Scene

I m really not sure if this is right. My tab comes out of desperation. I just had to play this song. If you have a better tab PLEASE post it. Otherwise, enjoy. This is a composite of the song as it appears on You Forgot it in People (also the Wicker Park Soundtrack) and the alternate version on Beehives.

For the purposes of this tab, G=320010

С Fmaj7 Am G All these people drinking lover s spit С G Am Fmaj7 They sit around and clean their face with it С Fmaj7 G Am And they listen to teeth to learn how to quit С Fmaj7 G Am tied to a night they never met С

You know it s time

 that we grow old and do some shit
 C

 I like it all that way

Thanks to Baumfinger for the correction. Enjoy!
