

**Further On
Bronze Radio Return**

Heard this song on a 2013 FedEx Cup Commercial on Golf Channel and have been a huge fan of these guys ever since!

I've fixed the issue where the chords didn't line up before. Should be just about perfect now. Enjoy!

A - D x4

Verse 1:

A **D** **A**
Smoke in the sky and fire in the air
D **A** **E**
Desire burns between them
A **D** **A**
One big push is gonna get you there
D **A** **E**
It takes a stronger eye to see them

Pre-Chorus:

D **A** **E** **D**
When you see it in front of you
A **E** **D**
In a silhouette up ahead
A **E**
And you see where you're going to...

Chorus:

A **D** **F#m** **D**
Lead your way, sing your song
A **E** **D** **A - D** x2
Moving everyday, going further on
A **D** **F#m** **D**
Lead your way, keep on strong
A **E** **D** **A - D** x2
Moving everyday, going further on

Verse 2:

A **D** **A**
Break of day till the sun goes down
D **A** **E**

You work the time between them

A **D** **A**
A far off land to your own hometown
D **A** **E**
You've been all around to see them

Pre-Chorus:

D **A** **E** **D**
And when it's standing in front of you
A **E** **D**
Then you take it and you pull it in
A **E**
Can you see where you're going to...

Chorus x2, G - C x2

Harmonica solo with chorus chords:

A - D

F#m - D

A - E - D

A - D x3

End on G
