Brook Pridemore
Sugar Coma (Snakes On My Brain)

I am not 100% sure of the lyrics but it is one of my favorite songs so I gave it my best shot. This track can be found on the Anticomp Folkilation CD.

I was born in a high fashioned window breaking blood and drinking bones
Where a tear stained reflection and bad confrontations climb through in stereo

Being born into darkness gets cold before it gets warm

And I thought that my life was like comic books, or black flag 45s
If it goes out of print you forget about finding it on the other side

You were lucky to get what was scraped off the bottom rung

F# A E

And everything you say is something that I should say back to you
And your slick forked tongue is the first one that Iâ€™ll put a barrel to, yeah
Itâ€™s like Barry said self preservation, submission bein fed doesnâ€™t make you free
And like adam and steve I will not let these snakes get the best of me

I was top hats and whip-snaps and arctic sun from 5 to 17
With your two-liter bottles of bartles and james why, Iâ€™m sure we made the team

And Iâ€™m sorry, Iâ€™m sorry, I just donâ€™t believe in coincidence

I know you were there â€™cause we planned it on the seventh Sabbath day
You gave your heart back to jesus got sober goin home, and got, killed along the way

You were shaking like ice in a glass that had yet to be poured
There is nothing like dyinâ€™ to know what itâ€™s like to be bored

F# A E

And everything you say is something that I should say back to you
And your slick forked tongue is the first one that Iâ€™ll put a barrel to, yeah
Itâ€™s like Barry said self preservation, submission doesnâ€™t make you free
And like adam and steve I will not let these snakes get the best of me

If they cut the power and guided by voices, Iâ€™m singing to myself like I ever
had the
choice and were staying right here cause nothing gets better than this x4

And everything you say is something that I should say back to you
And your slick forked tongue is the first one that Iâ€™ll put a barrel to, yeah
Itâ€™s like Barry said self preservation, submission doesnâ€™t make you free
And like adam and steve I will not let these snakes get the best of me
