

Cs Lewis Song
Brooke Fraser

I have noticed that when Brooke plays this song live, she does it with a capo, so I decided to transpose the chords to the third fret as she plays them and put them on here for you guys. :)

Capo: 3rd Fret

Brooke Fraser - C.S. Lewis Song

Intro:

F#m A E Bm

A---hhh ah ah X2

F#m A E Bm

A---hhh-h-h-h

Verse One:

D E F#m C#m7 D E F#m
If I find in myself desires nothing in this world can satisfy

D E F#m C#m7 D
I can only conclude that I, I was not made for here

D E F#m C#m7 D E F#m
If the flesh that I fight is at best only light and momentary

D E F#m C#m7 D E F#m
Then of course Iâ€™ll feel nude when to where Iâ€™m destined Iâ€™m compared

//CHORUS//

F#m A E
Speak to me in the light of the dawn

Bm F#m A E Bm
Mercy comes with the morning

F#m A E
I will sigh and with all creation groan

Bm F#m
As I wait for hope to come for me

Verse Two:

D E
Am I lost or just less found,

F#m C#m7 D E F#m
On the straight or on the roundabout of the wrong way?

D E
Is this a soul that stirs in me,
F#m C#m7 D E F#m
Is it breaking free, wanting to come alive?

Pre-Chorus:

Bm **D** **F#m**
â€™Cause my comfort would prefer for me to be numb
 Bm **D**
And avoid the impending birth
 A **E**
Of who I was born to become

//CHORUS//

Bridge:

A **F#m**
For we, we are not long here
 Bm
Our time is but a breath
 E
So we better breathe it
 A **F#m**
And I, I was made to live
 Bm
I was made to love
 E
I was made to know you

F#m A E **Bm**
Hope is coming for me X3
F#m A E **Bm**
Hope, He s coming

//CHORUS//
