

Fm **Ab** **Eb** **Bb7**
They've been swimming in the wrong waters

Fm **Ab** **Eb**
And now they're pulling me down

Fm **Ab** **Eb**
But I am clinging to you, never letting go

Fm **Ab** **Eb**
I know that you are gonna pull me out

Chorus

Have your way here
Keep me afloat 'cos I know I'll sink without you
Take this ocean of pain that is mine
Throw me a lifeline

Guitar chord break, pianos, *appoggio* the intro.

Bride (strum once & ring)
