

Love Is Waiting
Brooke Fraser

[Intro]

G Em7 C2

[Verse 1]

G Em7 C2

In the autumn on the ground

G Em7 C2

Between the traffic and the ordinary sounds

G Em7 C2

I am thinking signs and seasons

G Em7 C2

While a north wind blows through

G Em7 C2

I watch as lovers pass me by

G Em7 C2

Walking stories, whoâ€™s and howâ€™s and whyâ€™s

G Em7 C2

Musing lazily on love, pondering you

[Pre-Chorus]

Am7

Letâ€™s give it time, give it space

D

And be still for a spell

Am7

When itâ€™s time to walk that way

C2 D

We wanna walk it well

[Chorus]

G Em7 C2

Iâ€™ll be waiting for you baby

G Em7 C2

Iâ€™ll be holding back the darkest night

G Em7 C2

Love is waiting â€™til weâ€™re ready

G Em7

â€™Til itâ€™s right

C2

Love is waiting

[Verse 2]

Itâ€™s my caution not the cold

Thereâ€™s no other hand that I would rather hold

The climate changes, Iâ€™m singing for strangers about you

Donâ€™t keep time, slow the pace

Honey hold on if you can

The bets are getting surer now
That you're my man

[Chorus]

G **Em7** **C2**
I'll be waiting for you baby
G **Em7** **C2**
I'll be holding back the darkest night
G **Em7** **C2**
Love is waiting 'til we're ready
G **Em7**
'Til it's right
C2
Love is waiting

[Bridge]

Am7 **Em** **D** **G**
I could write a million songs about the way you say my name
Am7 **Em** **D** **G**
I could live a lifetime with you and then do it all again
Am7 **Em**
And like I can't force the sun to rise
D **G**
Or hasten summer's start
F **C** **D**
Neither should I rush my way into your heart

[Chorus]

G **Em7** **C2**
I'll be waiting for you baby
G **Em7** **C2**
I'll be holding back the darkest night
G **Em7** **C2**
Love is waiting 'til we're ready
G **Em7**
'Til it's right
C2
Love is waiting
