**Am C G**  
Love, where is your fire?

Making signals with sticks and odd ends and bits  
**Dm Am G**  
But still there s no sign of a flame

**Am C G**  
Imposters have been passing  
**Am C G**  
Offering a good-feeling glow

But I m holding out for what you are about  
**Dm Am G**  
An inferno that burns to the bone

PRE-CHORUS:

**Em C Am Fmaj7**  
Some urge me to be temperate  
**Em C Am Fmaj7**  
Lukewarm will never do

`Cos I, I wanna blaze with you  
**Am Fmaj7 C G**  
So I m holding my heart out to you holding my heart out

**Am C G** x2

VERSE 3:

**Am C G**  
So I stand, handing out torches  
**Am C G**  
Speaking words that are lamps to their feet  
**Am C G**  
`Til the time when you come and I m whole and we are one  
**Dm Am G**  
And the fire in me is complete

PRE-CHORUS:

**Em C Am Fmaj7**  
Some tell me, to be moderate  
**Em C Am G**  
But lukewarm will never do

CHORUS

BRIDGE

**Fmaj7 C G**  
Then a doubt comes to lie, at the back of my mind  
**Fmaj7 C G**  
That I ll offer you me and you ll politely decline  
**Am**  
So I hasten to mute it  
**Fmaj7 C**  
I ll shout and rebuke it  
**G Fmaj7 C Am**  
Away, away, away,away...  
**G Fmaj7 C Am**  
Away,away,away,away...

CHORUS

OUTRO

**Am C G**  
Holding my heart out  
**Am C G**  
Holding my heart out  
**Am C G**  
Holding my heart out  
**Am**  
Holding my heart out
