

## Sailboats

Brooke Fraser

**G**

We re adrift on a sailboat

**Em C G**

My love is the sea

**G**

Yours is the horizon

**Em C G**

Constant and steady

**D C G D**

You set my limbs locked hard afloat

**D C D**

Lifted my lonesome sails

**C G C D**

The tide is out, the moon is high

**C D G**

We re sailing

**G**

Darling, your love is healing

**Em C G**

It makes the bitter sweet

**G**

Warms the winter to spring again

**Em C G**

Secures the colds defeat

**D C**

We re cutting anchor

**G D C G D**

Casting out into the glorious deep

**C G D G**

The tide is out, the moon is high

**C G D**

We re sailing

BRIDGE: **C Em**

**Em C D**

When we ve succumb to decrepitude

**Em C G D G**

Still our love will remain in its youth

**C G D G**

The tide is out, the moon is high

**C**

We re sailing

**G**

We re sailing

**D**

We re sailing
