

**Saving The World**  
**Brooke Fraser**

Intro: **C7, D, C7, D**

Verse

**C7**                                  **D**  
Didn't I tell you everything's fine?  
          **C7**  **D**  
If there's a good and bad we're somewhere in between

Bass joins in

**C7**  **D**  
Often I feel like we're all navigating blind  
          **C7**  **D**  
Could we get a change of pace to set the scene?

Bridge

**Am**                                  **Em**                                  **D**  
We could stay another day in this confusion  
          **Am7**                                  **Em**                                  **D**  
Let it permeate us 'til we can't move on

Chorus

**Am**                                  **Em**                                  **D**                                  **Em7**  
But while we're waiting we could try saving the world  
          **Am**                                  **Em**                                  **Dsus4**  
Or are we storing that up for a rainy day?  
          **Am**                                  **Em**                                  **D**                                  **Em7**  
I'm anticipating the time when it'll be my turn  
          **Am**                                  **Em**  
It could be fun to try  
**D** (ring)  **C7**  
I think that I'll save the world...  
          **D**  
As a fun afternoon activity

Instrumental: **C7, D**

Verse

**NC**  **D**  
Seventy thousand things to ponder today  
          **C7**  **D**  
The most significant are bottom of the list  
          **C7**  **D**  
Forty five million recipes and way-ys  
          **C7**  **D**  
To ex-aggerate and compound the stress

Brige

**Am** **Em** **D**  
We could stay another day in this apathy  
**Am** **Em** **D**  
Let it permeate us til we re numb thr-ough

Chorus

**Am** **Em** **D** **Em7**  
But while we re waiting we could try saving the world  
**Am** **Em** **Dsus4**  
Or are we storing that up for a rainy day?  
**Am** **Em** **D** **Em7**  
I m anticip-ating the time when it ll be my turn  
**Am** **Em**  
It could be fun to try  
**D** (ring) **A**  
I think that I ll save the world

Instrumental **A C G A C G A C G A** (ring)

Chorus

**Am** **Em** **D** **Em7**  
And while we re waiting we could try saving the world  
**Am** **Em** **Dsus4**  
Or are we storing that up for a rainy day?  
**Am** **Em** **D** **Em7**  
I m anticip-ating the time when it ll be my turn  
**Am** **Em**  
It could be fun to try  
**Dsus4**  
I think that I ll save...  
**Am** **Em** **D** **Em7**  
And while we re waiting we could try saving the world  
**Am** **Em** **Dsus4**  
Or are we storing that up for a rainy day?  
**Em**  
I m antici-pating the time when it ll be my turn  
**Am** **Em**  
It could be fun to try  
**D** (ring)  
I think that I ll save the world
