

Who Are We Fooling
Brooke Fraser

[Verse]

D **A** **Bm** **A**
So we re back here again. Tiptoeing round the edge of the end.
G **D** **A Bm**
Wondering who ll be last to admit that we re finally over.
D **A Bm** **A**
Turned 21 the day that we met. Terrible shoes, implausible dress.
G **D** **A Bm**
It s funny how sad the funny things get as you grow older.
G **D A**
Better or worse but what else can we do?
G **D A**
When better or worse I am tethered to you.
G **D A Bm**
If it s not either of us tell me who are we fooling?
D **A**
I learnt the art of biting my tongue.
Bm **A**
I tired of trying to guess what was wrong.
G **D A Bm**
Both agreed on where we should go, but not how to get there.
D **A**
We tried and tried to loosen the knots.
Bm **A**
Thinking once we re untangled we ll be better off.
G **D A Bm**
But it s these failures and faults that hold us together.

This beautiful tangle that s bruising us blue.

It s a beautiful knot that we just can t undo.
G **D A**
Together we re one but apart tell me who are we fooling?

Turning away from the edge of the end. Arm in arm.
