

## Heal For The Honey

Brooke Waggoner

**G** **D**  
Points of light  
**Em** **C**  
Shootin through the tree-stained vines  
**G** **D**  
It draws me in  
**Em** **C**  
To catch a fistful of wind and chime

**D** **Em**  
But all day long I heal for the honey  
**G** **D**  
Waitin for the one I love  
**D** **Em**  
The noons are hot with heartache aplenty  
**G** **D**  
I m lovesick and undone

**G, D, Em, C**

**G** **D**  
Poised, unrefined  
**Em** **C**  
Delicate and loosely lined  
**G** **D**  
Oh I am a dreamer  
**Em** **C**  
But I ll deny it til the day I die

**D** **Em**  
Cause all day long I heal for the honey  
**G** **D**  
Waitin for the one I love  
**D** **Em**  
The noons are hot with heartache aplenty  
**G** **D**  
I m lovesick and undone

**D** **Em**  
All day long I heal for the honey  
**G** **D**  
Waitin for the one I love  
**D** **Em**

The noons are hot with heartache aplenty

**G** **D**

I m lovesick and undone

**D** **Em**

Yes I m lovesick and undone

**C** **D**

Yes I m lovesick and undone

**D** **Em**

I m undone, I m undone, I m undone

**C**

Say it loud

**D**

Say it loud

Oh out loud

**Em**

Oh out loud

**C** -> **D** -> **Em** -> **C** -> **D**
