**Brooke White**

Verse 1

**Bbm**

Every evening I come home

**Fm**

And turn on all the lights

I still see you in the shadows

**Fm**

Even when it s bright

**Bbm**

Put music on the radio

**Fm**

Play it way up high

**Bbm**

I can hear you in the silence

**Fm**

And all I do is cry

Bridge:

**Am** **C**

Changing, places

**G**

But I m always looking for you

**Am** **C**

In that endless sea and faces

**G**

What am I gonna do

Chorus:

**Em**

I keep running

**Am**

Going nowhere

**C**

I can t leave your love behind me

**Em**

I keep running

**Am**

Never moving

**C**

Getting lost so you can t find me

**Em**

I keep running

**Am**

Slow motion

**C**

Hoping someday yeah soon I ll see

I ll see

**G**

**Em**

You ll come running on my darling back to me

Verse 2:

Every morning I wake up  
And try to dull the pain  
Sunlight in my window  
Might as well be rain  
Driving after midnight  
To help my heart unwind  
Your memory keeps tearing  
At the edges of my mind

Bridge 2:

Starting over  
But I m always thinking of you  
Oh fewer  
Farther  
What am I gonna do  
I keep running  
Going nowhere  
I can t leave your love behind me  
I keep running  
Never moving  
Getting lost so you can t find me  
I keep running  
Slow motion  
Hoping someday yeah soon I ll see  
I ll see  
You come running on my darling back to me

(bridge/chorus)

End on Bbm
