Verse 2:

Every morning I wake up
And try to dull the pain
Sunlight in my window
Might as well be rain
Driving after midnight
To help my heart unwind
Your memory keeps tearing
At the edges of my mind

Bridge 2:

Starting over
But I m always thinking of you
Oh fewer
Farther
What am I gonna do
I keep running
Going nowhere
I can t leave your love behind me
I keep running
Never moving
Getting lost so you can t find me
I keep running
Slow motion
Hoping someday yeah soon I ll see
I ll see
You come running on my darling back to me

(bridge/chorus)

End on Bbm
