[Intro]

E E E E

[Verse 1]

[tab]**E** **E**
I lost her trail on a Friday night[/tab]
[tab] **A** **B**
She was gone before I got home[/tab]
[tab]**E** **E**
She d been getting restless[/tab]
[tab] **B** **B**
In that big house all alone[/tab]
[tab] **E** **E**
I ve been up and down these city streets[/tab]
[tab] **A** **E**
For three nights in a row[/tab]
[tab] **A** **E**
And lord it s hard to find that girl[/tab]
[tab] **B** **E**
When she gets the urge to go[/tab]

[Chorus]

[tab] **A**
It s kinda like a lost and found[/tab]
[tab] **B**
In a border town[/tab]
[tab]**E** **A**
Askin bout a diamond ring[/tab]
[tab] **E**
They just look at you[/tab]
[tab] **E**
Like you ve lost your mind[/tab]
[tab] **B**
Say they haven t seen a thing[/tab]
[tab] **A** **B**
But I know she s been here lately[/tab]
[tab] **E** **A**
I can still smell her perfume[/tab]
[tab] **B** **A** **E**
And she gets crazy on a full moon[/tab]

[Verse 2]

[tab]**E** **E**
And I know she ll be coming back[/tab]
[tab] **A** **B**
Her car is waiting right outside[/tab]
[tab]**E** **E**

But, I don't want to think about[/
[tab] **B** **B**
Who's taking her for a ride[/
[tab] **E**
And her unpredictability[/
[tab] **A** **E**
Is what I love about her best[/
[tab]**A** **E**
Lord I've got to find her quick[/
[tab] **B** **E**
Before she does something I regret[/
[tab]

[Chorus]
[tab] **A**
It's kinda like a lost and found[/
[tab] **B**
In a border town[/
[tab]**E** **A**
Askin' bout a diamond ring[/
[tab] **E**
They just look at you[/
[tab] **E**
Like you've lost your mind[/
[tab] **B**
Say they haven't seen a thing[/
[tab] **A** **B**
But I know she's been here lately[/
[tab] **E** **A**
I can still smell her perfume[/
[tab] **B** **A** **E**
And she gets crazy on a full moon[/
[tab]

[Bridge]
[tab]**A** **B**
She's out there somewhere[/
[tab]**A** **B**
Burnin' up the night[/
[tab]**A** **B**
Somehow I've got to run her down[/
[tab]**C#m**
I'm running out of time[/
[tab]

[Chorus]
[tab] **A**
It's kinda like a lost and found[/
[tab] **B**
In a border town[/
[tab]**E** **A**
Askin' bout a diamond ring[/
[tab] **E**
They just look at you[/
[tab] **E**
Like you've lost your mind[/
[tab]

[tab] **B**
Say they haven t seen a thing[/tab]
[tab] **A** **B**
But I know she s been here lately[/tab]
[tab] **E** **A**
I can still smell her perfume[/tab]
[tab] **B** **A** **E**
And she gets crazy on a full moon[/tab]
