But this yearning in the deep part of my heart for you

Is more than a reaction to your touch

It's a perfect passion and i can't get enough

                                                F#
In my life i've been hammered by some heavy blows
                       G#
