

Every River
Brooks & Dunn

Intro: **Em**

Em **D** **Em** **D**
 Once upon a time, somewhere in your past
G **D** **Em** **D**
 Someone said forever but that promise didn't last
Em **D** **Em** **D**
 Now you don't believe, love is ever true
G **D** **Em** **D**
 Steel yourself against the day, when I stop loving you

Chorus:

G A
When the day comes that I don't love you
Em G A
Every star will fall out of the sky
G D G
And every mountain will tumble down
Em A D
And every river run dry

Em **D** **Em** **D**
 For every drop of rain, that ever touched the ground
G **D** **Em** **D**
 For every tear that ever fell and never made a sound
Em **D** **Em** **D**
 I ll be there, to hear you call
G **D** **Em** **D**
 And I ll be there to catch you baby should you ever fall

G **A**
When the day comes that I don t love you
Em **G** **A**
Every star will fall out of the sky
G **D** **G**
And every mountain will tumble down
Em **A** **D**
And every river run dry

Instrumental: Em D Em D G D Em D

G **A**

When the day comes that I don't love you

Em **G** **A**

Every star will fall out of the sky

G **D** **G**

And every mountain will tumble down

Em **A** **D**

And every river run dry
