

Go West

Brooks & Dunn

[Intro]

D Bm G A
D Bm G A

[Verse 1]

D Bm
That burning sunset in the sky
G A
Is calling out to us tonight
D Bm
I won't work for my old man
G A
Anymore that you fit into your mammas plan
G A
There's a place for people like you and me
G A
But true love's still got room to breathe

[Chorus 1]

D
And we can drive all night
Bm
Into the morning light
G A
Let's go west
D
It's our ticket out of here
Bm
Yeah we can disappear
G A
Let's go west
G A
And that painted sky was made for us
G A
It's everything we ever dreamed of
D Bm G A
Let's go west

[Verse 2]

D Bm
It's hard to leave this place behind
G A
Got memories turning in my mind
D Bm
Little white house with a picket fence
G A
That protected small town innocence

G **A**
But it seems like an even trade to me

G **A**
That security for our destiny

[Chorus 2]

D
Yeah we can drive all night

Bm
Till the morning light

G **A**
Let s go west

D
A place that we can go

Bm
Where the tall dreams grow

G **A**
Let s go west

G **A**
And we ll find a place to call our own

G **A**
There s somewhere out there we belong

D
Let s go west

[Solo]
