

I Fall

Brooks & Dunn

Steers & Stripes

Written by Kix Brooks & Don Cook

Key of F#

Capo 4th fret and play in D

[F] [A7] [D]

[D] I breeze through the [Bm] day, and [Em] nothing much seems, to [A7] get
in my way

[D] I don't have a [Bm] care, at [Em] all [A7]

[G] You walk in the [A7] room. It's [D] always the [Bm] same, you [D6] call
out my name

I [G] turn. You [A7] smile, and I [D] fall [A7]

[D] I'm at home at [Bm] night, just [Em] bein' alone, and [A7] doin' alright

[D] When out of the [Bm] blue, you [Em] call [A7]

[G] I hang up the [A7] phone. I [D] lay down in [Bm] bed, you're [D6] still
in my head

I [G] dream. You [A7] smile, and I [D] fall [D7]

Bridge:

[F] Oh what could this [A7] feeling [D] be?

[F] Could it really be [Em] love, and it's [G] happening to [A7] me?

[D] The closer you [Bm] get, the [Em] harder it is, to [A7] keep it together

[D] I don't have a [Bm] chance, at [Em] all [A7]

[G] It's out of my [A7] hands. Oh, but [D] what can I [Bm] do? I'm [D6]
crazy for you

We [G] touch. You [A7] smile, and I [D] fall [Bm]

We [G] touch. You [A7] smile, and I [D] fall [Bm] [Em] [F] [A7] [D]
