 Bb C
These hony-tonks and bright city lights used to thrill me.

And it s why I ve been down to one more night alone.

CHORUS:

 Bb C F
I thought I had her wrapped around my fingers.
 Bb C F
I didn t think this wish would ever Burn.
 Bb C
I d always thought she d take me back.
 F Bb
But she taught me the cold hard facts.
 C F
When it comes to love, Ive got a lot to learn.

Bb C F

 Bb C
It never crossed my mind that she might leave me.
 F Bb C
She did her best to love me till the end.
 Bb C F
