

Ive Got A Lot To Learn  
Brooks & Dunn

**Bb C Bb**

These hony-tonks and bright city lights used to thrill me.  
**F** **Bb** **C**  
I d paint the yown and stumble in at dawn.  
**Bb** **C** **F**  
But now there s no one listning for my footsteps.  
**Bb** **C**  
And it s why I ve been down to one more night alone.

CHORUS:

**Bb** **C** **F**  
I thought I had her wrapped around my fingers.  
**Bb** **C** **F**  
I didn t think this wish would ever Burn.  
**Bb** **C**  
I d always thought she d take me back.  
**F** **Bb**  
But she taught me the cold hard facts.  
**C** **F**  
When it comes to love, Ive got a lot to learn.

**Bb C F**

**Bb** **C**  
It never crossed my mind that she might leave me.  
**F** **Bb** **C**  
She did her best to love me till the end.  
**Bb** **C** **F**  
If she were here I know I d treat her better.  
**Bb** **C**  
But I won t ever get that chance again.
