I was raised off route 3, out past where the blacktop ends,

We'd walk to church on Sunday morn

That's where I first saw Mary,

On that roadside picking blackberries,

Em

G

that summer I turned a corner in my soul

A

D

down that red dirt road,

[Chorus]

D

It's where I drank my first beer,

A

It's where I found Jesus,

Em

Where I wrecked my first car

G

I tore it all to pieces,

D

I learned the path to heaven,

A

It's full of sinners and believers,

Em

Learned that happiness on earth,

G

Ain't just for high achievers,

Em

F#m

I've learned, I've come to know,

G

There's life at both ends

A

D

Of that red dirt road,

Her daddy didn't like me much,

A

In my shackled up GTO,

D

I'd sneak out in the middle of the night,

G

Throw rocks at her bedroom window,

D

We'd turn out the headlights,

A

Drive by the moonlight,

Bm

G

Talk about what the future might hold,

A

D

Down that red dirt road,

[Chorus]

D

It's where I drank my first beer,

A

It's where I found Jesus,

Bm

Where I wrecked my first car

G

I tore it all to pieces,

D

I learned the path to heaven,

A

It's full of sinners and believers,

Bm

Learned that happiness on earth,

G

Ain't just for high achievers,

Bm

F#m

I've learned, I've come to know,

G

There's life at both ends

A

D

Of that red dirt road,

I went out into the world,

I lost Mary,

Oh I got her back again
