Cm Gm7
I m leaving here today,
Dm
there s nothing left to say.
Cm7
I hope I live to tell,
Gm7
goodbye to this world,
Dm7
you and I are pearls,
Cm7
inside the only shell.
Gm7
I wonder where I ll go,
Dm
when you ve got control.
Cm7
I know you re going to win.
Gm7
See what you ve become,
Dm
and what you haven t done,
Cm7
and what you could have been.
Gm7
It s all been a pack of lies.

[Verse 2]

Gm7
Welcome to your town,
Dm
an ocean all around,
Cm7
with a killer undertow.
Gm7
I m listening to the noise,
Dm7
the static and your voice.
Cm7
Turn up the radio.
Gm7
Fragile as we are,
Dm
we look to your star.
Cm7
It comes as no surprise,
Gm7
I can hardly breathe,
Dm
I don t wanna leave,
Cm7
But I could never stay and fight.
Gm7
It s all been a pack of lies
