

For All We Know
Brother & Bones

Am

I still feel the lonely mornings,

C

Yea the same ones you left behind,

Am

Now loneliness the only thorn in,

C

The only thorn left in my side

F

If I m still the colour of

C

G

The darkness you ve been fearing then my love,

Am

Are we lost

F

C

with these lonely hearts we ve found?

Am

F

C

Well, I ll go against the grain until it wears me down

Am

And if we re lost

F

C

Am

then where are we now my love?

G

F

Have we got nothing to show

F

C

For all we know?

Am

I know you re trying to fill the spaces

C

Left by thinking I d be there

Am

But I held a pack with all the aces

C

Such selfish hands, nothing to spare

F

Are you envious of love?

C

G

Did I burden you with all the things I was?

Am

Are we lost

F

C

with these lonely hearts we've found?

Am

F

C

Well, I'll go against the grain until it wears me down

Am

And if we're lost

F

C

Am

then where are we now my love?

G

F

Have we got nothing to show

F

C

For all we know?

F

C

For all we know,

For all we know,

For all we know,

(Where are we now?)

(Are we lost?)
