Let Go
by Brother Phelps

(in the key of G)

INTRO: G C D G C D

Well it s [G] often times you [C] let this old world [D] get you down
And what a [G] drag it is to [C] know it always [D]
When [G] everyday you [C] feel just a little more [D] kicked around
Cause the [C] dreams you hold so long and hard get broke
And not ful [D] filled

Chorus

So then [G] let go baby, [C] let the wind blow [D] through you hair
You can t [G] walk around in [C] chains and ever [D] get nowhere
[C] Something or some [D] one is telling [G] you it s over and [C] done
Well outside the free wind [D] blows, let [C] go.

G C D

Now you re at the point that you can t really trust noone
They re all after something is what you ve learned
So you stay hold up in your room knowing that ain t fun
Cause it s bitterness and loneliness to hold you in return

Chorus

Instrumental- G C D G C D

(When strumming the chords in the first two lines, hit once and let ring)

Well now who would think that a boob-tube could find such a friend
You always could tune in to how it thinks
Darling the loving cup you need it a movie s tragic end
Always knocked over and spilled as you re reaching for a drink

Chorus

OUTRO- G C D G C D
