

Seven Hells
Brown Bird

[Verse 1]

Am **C**
The seventh hell inside us impales and divides us
Dm **E**
And scatters our skin with the seed
Am **C**
Of our deeds devoured, on other worlds showered
Dm **E** **Am**
As our demon celestials bleed

[Instrumental] x2

Am **C** **Dm** **E**

[Verse 2]

Am **C**
The seventh heaven s promise, the Gospel of Thomas
Dm **E**
The Shahadat s secrets are saved
Am **C**
As the dead and the sleeping still fear a flesh reaping
Dm **E** **Am**
And gather their gold for the grave

[Chorus]

Dm **Am**
In bonds of conscience respiration fails
E **Am**
Blind suffocation proceeds
Dm **Am**
By floodwaters swallowed, the proprium of whales
C **E** **Am**
Shed these lung spires and breathe
Dm **Am**
Eyes end in flames and the brow settles
E **Am**
Sunk cheek to jaw
Dm **Am**
Lips forming shame and the mind s metal
C **E** **Am**
Floods one and all

[Verse 3]

Am **C**
Laws of men lay claim to all those without shame
Dm **E**
Who enlighten themselves with the lies
Am **C**

Dm **E** **Am**

As the megaphones fill up the skies

Dm

 In bonds of conscience respiration fails

 By floodwaters swallowed, the proprium of whales

No foul facade left saving face
