**Em C D G C G**

**Em** **C** **D**  
All I ever wanted was someone to care for me  
**Bm** **C**  
Someone to always be there for me  
**D** **G**  
Right through the good and bad  
**G** **D, .**  
I spent a long time hoping that just one time|.  
**Bm** **Cia**  
A portion of love I would find  
**Em** **D**  
Then you came along and gave me so much more

**G** **D**  
Above and beyond my needs  
**Em** **Bm**  
Your love has carried me  
**C** **D** **G**  
When I was not strong enough to make it on my own  
**D**  
Your love has calmed my fears  
**Em** **Bm**  
I know you re always near  
**C** **D**  
Only a love so strong could come from  
**G**  
Above and beyond

**Em** **C** **D**  
Just a cup of water was all that I needed  
**Bm** **C**  
All alone in my darkness I pleaded  
**D** **G**  
For someone to answer my call  
**G** **D**  
Then your love washed away all the pain  
**Bm** **C**  
The moment I called out your name  
**Em** **D**  
You filled up my heart and I won t be the same
