Subject: All The Ways I Want You Bruce Cockburn Lyrics/Chords

F
The hills are full of secret owls watch my night
Bb

F
Down in town the bars are full and the drunks are picking fights
C7

These are things I know
Bb

But the facts are filtered through
F Bb C Bb C F

All the ways I want you All the ways I want you
F

2:19 freight train moaning somewhere near
Bb

I see you in the distance but I can't get here from here
C7

Hard to believe it's happening
Bb

But my whole world's shrunken to
F Bb C Bb C F

All the ways I want you All the ways I want you
F Bb

Stars look down and laugh at me I ought to take a bow
F

Don't have to tell them life's hard sometimes
Bb

There's one falling now
C7 Bb

Nobody's here beside me I can talk about it to
F Bb C Bb C F

All the ways I want you All the ways I want you
