Burn

Fret up 2

G Am7 Bm C D

G **Am7**
Look away across the bay
D7 **G**
Yankee gunboat come this way
G **Am7**
Uncle Sam gonna save the day
D7
Come tomorrow were all gonna pay

Chorus

G **C**
Its burn baby burn
D **G**
When am I going to get my turn
G **C**
Its burn baby burn
D **G**
When am I going to get my turn

Something dead under the bed
Local diplomats hang their head
Never mind what the government said
They re either lying or theyve been misled

Chorus

Phillipines was yesterday
Santiago and Greece today
How will they ever make the late news pay
If they didn t have the CIA

Chorus

Instrumental

Here it comes, the loaded gun
Must keep the commies on the run
Youd probably bury everyone
For liberty, life and just plain fun

Chorus repeat ad infinitum
