

One Day I Walk
Bruce Cockburn

My favourite and most accurate version of Bruce Cockburn s song. Thanks!

Capo on 1st Fret

Intro: G walk up to C, repeat

G F C
Oh I have been a beggar
Am G
And shall be one again
F C
And few the ones with help to lend
Am G
Within the world of men

G C G
One day I walk in flowers
D
one day I walk on stones
C D G
Today I walk in hours
F G
One day I shall be home

I have sat on the street corner
And watched the bootheels shine
And cried out glad and cried out sad
With every voice but mine

One day I walk in flowers
one day I walk on stones
Today I walk in hours
One day I shall be home
One day I shall be home
