

Change Of Heart  
Bruce Dickinson

**Am F Am G**  
Here I sit alone at the window  
**Dm F Am E**  
The rain falls down on the glass in the cold  
**Am F Am G**  
All my life I ve been waiting for a moment  
**Dm F**  
It never came, maybe never will  
**Am E**  
Ah, sometimes I don t know

**F**  
Those days are gone  
**Am G Am**  
Now I hide where I just can t say  
**F**  
I m still there, catching your tears  
**Dm G E G**  
Before they fall to the ground

**Am F**  
You, you re walking away  
**Am**  
You couldn t stay  
**C G**  
You need a change of heart  
**Am F**  
You, you re walking away  
**Am**  
You couldn t stay  
**C G**  
You need a change of heart

**Am F Am G**  
Trees are bare, the earth, it is hard  
**Dm F Am E**  
I wait for a winter, soft winter and snow

**F**  
Those days are gone  
**Am G Am**  
Now I hide where I just can t say  
**F**  
I m still there, catching your tears  
**Dm G E G**  
Before they fall to the ground

**Am** **F**  
You, you re walking away  
**Am**  
You couldn t stay  
**C** **G**  
You need a change of heart  
**Am** **F**  
You, you re walking away  
**Am**  
You couldn t stay  
**C** **G**  
You need a change of heart

**F** **Am**  
And I know, wherever you go  
**G** **Am**  
I ll be around, yeah  
**F**  
I ll be there, catching your tears  
**Dm** **G**  
Before they fall to the ground

[Solo]

**F**  
Those days are gone  
**Am** **G** **Am**  
Now I hide where I just can t say  
**F**  
I m still there, watching your tears  
**Dm** **G** **E G**  
As they fall to the ground

**Am** **F**  
You, you re walking away  
**Am**  
You couldn t stay  
**C** **G**  
You need a change of heart  
**Am** **F**  
You, you re walking away  
**Am**  
You couldn t stay  
**C** **G**  
You need a change of heart

[Fade out]
