

Change Of Heart
Bruce Dickinson

Bbm F# Bbm G#
Here I sit alone at the window
Ebm F# Bbm F
The rain falls down on the glass in the cold
Bbm F# Bbm G#
All my life I ve been waiting for a moment
Ebm F#
It never came, maybe never will
Bbm F
Ah, sometimes I don t know

F#
Those days are gone
Bbm G# Bbm
Now I hide where I just can t say
F#
I m still there, catching your tears
Ebm G# F G#
Before they fall to the ground

Bbm F#
You, you re walking away
Bbm
You couldn t stay
C# G#
You need a change of heart
Bbm F#
You, you re walking away
Bbm
You couldn t stay
C# G#
You need a change of heart

Bbm F# Bbm G#
Trees are bare, the earth, it is hard
Ebm F# Bbm F
I wait for a winter, soft winter and snow

F#
Those days are gone
Bbm G# Bbm
Now I hide where I just can t say
F#
I m still there, catching your tears
Ebm G# F G#
Before they fall to the ground

Bbm **F#**

You, you re walking away

Bbm

You couldn t stay

C# **G#**

You need a change of heart

Bbm **F#**

You, you re walking away

Bbm

You couldn t stay

C# **G#**

You need a change of heart

F# **Bbm**

And I know, wherever you go

G# **Bbm**

I ll be around, yeah

F#

I ll be there, catching your tears

Ebm **G#**

Before they fall to the ground

[Solo]

F#

Those days are gone

Bbm **G#** **Bbm**

Now I hide where I just can t say

F#

I m still there, watching your tears

Ebm **G#** **F** **G#**

As they fall to the ground

Bbm **F#**

You, you re walking away

Bbm

You couldn t stay

C# **G#**

You need a change of heart

Bbm **F#**

You, you re walking away

Bbm

You couldn t stay

C# **G#**

You need a change of heart

[Fade out]
