

Change Of Heart  
Bruce Dickinson

**G#m** **E** **G#m** **F#**  
Here I sit alone at the window  
**C#m** **E** **G#m** **Eb**  
The rain falls down on the glass in the cold  
**G#m** **E** **G#m** **F#**  
All my life I ve been waiting for a moment  
**C#m** **E**  
It never came, maybe never will  
**G#m** **Eb**  
Ah, sometimes I don t know

**E**  
Those days are gone  
**G#m** **F#** **G#m**  
Now I hide where I just can t say  
**E**  
I m still there, catching your tears  
**C#m** **F#** **Eb** **F#**  
Before they fall to the ground

**G#m** **E**  
You, you re walking away  
**G#m**  
You couldn t stay  
**B** **F#**  
You need a change of heart  
**G#m** **E**  
You, you re walking away  
**G#m**  
You couldn t stay  
**B** **F#**  
You need a change of heart

**G#m** **E** **G#m** **F#**  
Trees are bare, the earth, it is hard  
**C#m** **E** **G#m** **Eb**  
I wait for a winter, soft winter and snow

**E**  
Those days are gone  
**G#m** **F#** **G#m**  
Now I hide where I just can t say  
**E**  
I m still there, catching your tears  
**C#m** **F#** **Eb** **F#**  
Before they fall to the ground

**G#m** **E**  
You, you re walking away  
**G#m**  
You couldn t stay  
**B** **F#**  
You need a change of heart  
**G#m** **E**  
You, you re walking away  
**G#m**  
You couldn t stay  
**B** **F#**  
You need a change of heart

**E** **G#m**  
And I know, wherever you go  
**F#** **G#m**  
I ll be around, yeah  
**E**  
I ll be there, catching your tears  
**C#m** **F#**  
Before they fall to the ground

[Solo]

**E**  
Those days are gone  
**G#m** **F#** **G#m**  
Now I hide where I just can t say  
**E**  
I m still there, watching your tears  
**C#m** **F#** **Eb** **F#**  
As they fall to the ground

**G#m** **E**  
You, you re walking away  
**G#m**  
You couldn t stay  
**B** **F#**  
You need a change of heart  
**G#m** **E**  
You, you re walking away  
**G#m**  
You couldn t stay  
**B** **F#**  
You need a change of heart

[Fade out]
