

Change Of Heart
Bruce Dickinson

Bm G Bm A
Here I sit alone at the window
Em G Bm F#
The rain falls down on the glass in the cold
Bm G Bm A
All my life I ve been waiting for a moment
Em G
It never came, maybe never will
Bm F#
Ah, sometimes I don t know

G
Those days are gone
Bm A Bm
Now I hide where I just can t say
G
I m still there, catching your tears
Em A F# A
Before they fall to the ground

Bm G
You, you re walking away
Bm
You couldn t stay
D A
You need a change of heart
Bm G
You, you re walking away
Bm
You couldn t stay
D A
You need a change of heart

Bm G Bm A
Trees are bare, the earth, it is hard
Em G Bm F#
I wait for a winter, soft winter and snow

G
Those days are gone
Bm A Bm
Now I hide where I just can t say
G
I m still there, catching your tears
Em A F# A
Before they fall to the ground

Bm **G**
You, you re walking away
Bm
You couldn t stay
D **A**
You need a change of heart
Bm **G**
You, you re walking away
Bm
You couldn t stay
D **A**
You need a change of heart

G **Bm**
And I know, wherever you go
A **Bm**
I ll be around, yeah
G
I ll be there, catching your tears
Em **A**
Before they fall to the ground
