[Intro]

Bm C Em D x2, D

[Intro 2]

G |Am  
Distant earthrise |long ago  
Am |Em  
Lingers at the borders of our |minds.  
G |Am  
Mysteries spinning |in the dark  
Am |Em  
In the frozen emptiness of |time.  
G |Am  
We were lost and we |never knew  
Am |Em  
Who we were, what we left be|hind.  
G |Am  
Living half-lives, |we were blind  
|Am |Bm  
To the |new frontiers that opened up our |eyes.

[Bridge]

(Bm) |C  
To find our |minds were spinning,  
Em |D  
Souls entwined in a |spiral dance.  
Bm |C  
The ancient |ways had found us  
Em |D  
Again, to give us one last chance

[Verse 1]

**Em** | **G**  
Living in this | place,  
| **Am**  
Staring into | space, we find,  
**Am** | **Em**  
We might share the corners of our | lives.  
| **G**  
Infinity runs | deep,  
| **Am**  
Eternity that | we can t keep  
**Am** | **N.C.**  
Melting through the frozen wastes of | ti-me

[Chorus]

**G** | **Am**  
So we go, and will | not return,  
| **Am** | **Em**  
To | navigate the seas of the | sun.  
**G** | **Am**  
Our children will go | on and on,  
| **Am** | **Em**  
To | navigate the seas of the | sun.  
**G** | **Am**  
So we go, and will | not return,  
| **Am** | **Em**  
We ll | navigate the seas of the | sun.  
**G** | **Am**  
Our children will go | on and on,  
| **Am** | **Bm**  
To | navigate the seas of the | sun.

[Bridge]

(**Bm**) | **C**  
We can t go | on tomorrow,  
**Em** | **D**  
Living death by | gravity!  
**Bm** | **C**  
Couldn t stand it | anymore,  
**Em** | **D**  
We sail our ships to distant shores!

[Verse 2]

**Em** | **G**  
Purple, gold and | blue,  
| **Am**  
Living colours | every hue,  
**Am** | **Em**  
Flowers in the garden of the | Gods.  
| **G**  
No one can ever | know,  
| **Am**  
If you never | saw them grow  
| **Am** | **Bm**

This |darkness is really full of |light

[Guitar Solos]

Bm C Em D Bm C Em B  
Bm A Am Em B

[Verse 3]

Em | G  
Well beyond the |earth,  
| Am  
The unknown things that |gave us birth,  
| Am | Em  
We ll |navigate the seas of the |sun.  
| G  
If God is throwing |dice,  
| Am  
And Einstein doesn t |mind the chance,  
| Am | Em  
We ll |navigate the seas of the |sun.  
| G  
Infinity runs |deep,  
| Am  
Eternity that |we can t keep.  
| Am | Em  
We ll |navigate the seas of the |sun.  
| G  
Flowers of our |souls,  
| Am  
Purple blue and |gold, we find,  
| Am | Em  
To |navigate the seas of the |sun.  
| G  
So we know who we |are,  
| Am  
Even in this |frozen waste,  
| Am | Em  
We ll |navigate the seas of the |sun.  
| G  
Living in this |place,  
| Am  
Staring into |space, we find,  
| Am | Em  
We ll |navigate the seas of the |sun.  
| G  
Well beyond the |earth,  
| Am  
The unknown things that |gave us birth,  
| Am | Em  
We |navigate the seas of the |sun.  
| G  
If Einstein s throwing |dice,  
| Am  
And God, he doesn t |mind the chance,
