[Intro]

**Bm C Em D x2, D**

[Intro 2]

**G** Distant earthrise | **Am** long ago  
**Am** Lingers at the borders of our | **Em** minds.  
**G** Mysteries spinning | **Am** in the dark  
**Am** In the frozen emptiness of | **Em** time.  
**G** We were lost and we | **Am** never knew  
**Am** Who we were, what we left be | **Em** hind.  
**G** Living half-lives, | **Am** we were blind  
| **Am** To the | **Bm** new frontiers that opened up our | eyes.

[Bridge]

(**Bm**) | **C**  
To find our | minds were spinning,  
**Em** | **D**  
Souls entwined in a | spiral dance.  
**Bm** | **C**  
The ancient | ways had found us  
**Em** | **D**  
Again, to give us one last chance

[Verse 1]

**Em** | **G**  
Living in this | place,  
| **Am**  
Staring into | space, we find,  
**Am** | **Em**  
We might share the corners of our | lives.  
| **G**  
Infinity runs | deep,  
| **Am**  
Eternity that | we can t keep  
**Am** | **N.C.**  
Melting through the frozen wastes of | ti-me

[Chorus]

**G** | **Am**  
So we go, and will | not return,  
| **Am** | **Em**  
To | navigate the seas of the | sun.  
**G** | **Am**  
Our children will go | on and on,  
| **Am** | **Em**  
To | navigate the seas of the | sun.  
**G** | **Am**  
So we go, and will | not return,  
| **Am** | **Em**  
We ll | navigate the seas of the | sun.  
**G** | **Am**  
Our children will go | on and on,  
| **Am** | **Bm**  
To | navigate the seas of the | sun.

[Bridge]

(**Bm**) | **C**  
We can t go | on tomorrow,  
**Em** | **D**  
Living death by | gravity!  
**Bm** | **C**  
Couldn t stand it | anymore,  
**Em** | **D**  
We sail our ships to distant shores!

[Verse 2]

**Em** | **G**  
Purple, gold and | blue,  
| **Am**  
Living colours | every hue,  
**Am** | **Em**  
Flowers in the garden of the | Gods.  
| **G**  
No one can ever | know,  
| **Am**  
If you never | saw them grow  
| **Am** | **Bm**

This |darkness is really full of |light

[Guitar Solos]

**Bm C Em D Bm C Em B**  
**Bm A Am Em B**

[Verse 3]

**Em** Well beyond the |**G** earth,  
The unknown things that |**Am** gave us birth,  
We ll |**Am** navigate the seas of the |**Em** sun.  
If God is throwing |**G** dice,  
And Einstein doesn t |**Am** mind the chance,  
We ll |**Am** navigate the seas of the |**Em** sun.  
Infinity runs |**G** deep,  
Eternity that |**Am** we can t keep.  
We ll |**Am** navigate the seas of the |**Em** sun.  
Flowers of our |**G** souls,  
Purple blue and |**Am** gold, we find,  
To |**Am** navigate the seas of the |**Em** sun.  
So we know who we |**G** are,  
Even in this |**Am** frozen waste,  
We ll |**Am** navigate the seas of the |**Em** sun.  
Living in this |**G** place,  
Staring into |**Am** space, we find,  
We ll |**Am** navigate the seas of the |**Em** sun.  
Well beyond the |**G** earth,  
The unknown things that |**Am** gave us birth,  
We |**Am** navigate the seas of the |**Em** sun.  
If Einstein s throwing |**G** dice,  
And God, he doesn t |**Am** mind the chance,

We ll | **Am** navigate the seas of the | **Em** sun.

And flowers of the | **G** soul

Purple blue and | **Am** gold, we find,

We ll | **Am** navigate the seas of the | **Em** sun.

(fading)

And who we were be | **G** fore,

Eternity that | **Am** we can t keep,

We ll | **Am** navigate the seas of the | **Em** sun

Flowers of our | **G** souls,

Purple blue and | **Am** gold, we find,

We ll | **Am** navigate the seas of the | **Em** sun.
