    For too long now, there were secrets in my mind
Αm
    For too long now, there were things I should have said

    In the darkness, I was stumbling for the door
Αm
    To find a reason, to find the time, the place, the hour
                    Em
Αm
    Waiting for the winter sun and the cold light of day
Αm
    The Mistical to childhood fears
The pressure is building and I can t stay away.
[Chorus]
                  C
                            G
     throw
               myself into the sea
  Em
Release the wave
      G
Let it wash over me
           C
                 G
To face the fear I once believed
    Em
                C
                            G
The tears of the dragon for you and for me
[Verse]
Am
  Where I was, I had wings that couldn t fly
Αm
  Where I was, I had tears I couldn t cry
Am
  My emotions, frozen in an iced lake
Αm
   I couldn t feel them until the ice began to break
Αm
   I have no power over this, you know I m afraid
Αm
  The walls I built are crumbling, the water is moving,
