

Look Out Any Window

Bruce Hornsby

G **C**
There s a man working in a field
C **F** **C** **G**
Sees the rain and it s burning.
G **C**
He s saying this can t be real
C **F** **C**
As he sees the color of the fields turning.
D **C**
Far away, they re too busy getting rich to care
Close their eyes and let it all out into the air
D
Hoping nobody else would care

G **C** **G**
Look out any window
G **F** **C**
Look out any open door
G **C**
Look out any window
F **C** **G**
See what s going on in the world around you

There s a man working on a boat
Pulling lines from the water
Just trying to stay afloat
Filling the nets is getting harder
Far away, they bend the rules so secretly
Close their eyes and let it all out into the sea
Hoping nobody else would see

Look out any window
Look out any open door
Look out any window
See what s going on in the air around you

Far away too many leaders let them get their way
Close their eyes and let it all out into the bay
Say they ll clear it up another day

Look out any window
Look out any open door
Look out any window
See that s going on in the air around you

Look out
Look out for the big boys telling you everything they re gonna do

Look out

Look out for the fat cat builder man turning this into a waste land

Look out

Look out for the back room boys that say the smoke is gonna blow away

Look out

Look out for the men who say it s okay sitting in a building far away
