

**Till The Dreamings Done**  
**Bruce Hornsby**

**G** **D**  
Well I saw her one day  
**C** **D**  
At the corner cafe  
**Em** **C**  
Everybody there knew she s a wonder  
**G** **D**  
I sat there all night  
**C** **D**  
Too shy to say  
**Em** **C**  
Honey you could keep me from going under

**D** **C** **G**  
Oh my my when she walks on by  
**D** **C** **Em**  
It s hard not to get lost in the view  
**D** **C** **G**  
How can you know if the feelings a lie  
**D** **C** **Em**  
When love comes out of the blue

**G** **D** **C** **D**  
North, south, east, west  
**C** **D** **Em**  
Up, down, all around and all the rest  
**G** **D** **C** **D**  
I ll go anywhere she wants me to go  
**C** **D** **Em**  
Of all the girls I ve loved she s the best  
**C**  
(She s the one)  
**G**  
Till the dreaming s done

**D** **C** **D**  
Well I left in the springtime long, long ago  
**Em** **C**  
Funny but I never got to know her  
**G** **D** **C** **D**  
Some people tell me she stayed alone  
**Em**  
And if things were different  
**C**  
I d go and show her  
**D** **C** **G**

But oh my my when she walks on by

**D** **C** **Em**

It s hard not to get lost in the view

**D** **C** **G**

How can you know if it s truth or a lie

**D** **C** **Em**

When love comes out of the blue

**G** **D** **C** **D**

North, south, east, west

**C** **D** **Em**

Uptown, downbound and all the rest

**G** **D** **C** **D**

I ll go anywhere she wants me to go

**C** **D** **Em**

Of all the girls I ve loved she s the best

**C**

(She s the one)

**G**

Till the dreaming s done

**D** **C** **G**

Oh my my when she walks on by

**D** **C** **Em**

It s hard not to get lost in the view

**D** **C** **G**

How can you know if the feelings a lie

**D** **C** **Em**

When love comes out of the blue

**G** **D** **C** **D**

North, south, east, west

**C** **D** **Em**

Uptown, downtown and all the rest

**G** **D** **C** **D**

I ll go anywhere she wants me to go

**C** **D** **Em**

Of all the girls I ve loved she s the best

**C**

(She s the one)

**G**

Till the dreaming s done
