Angry All The Time  
by Bruce Robison

VERSE 1

Here we are  
With what is left of a husband and a wife, With four good kids  
Who have a way, of gettin on with their lives.  
I m not old, but I m getting a whole lot older every day  
It s too late to keep from goin crazy  
I got to get away.

Chorus

The reasons that I can t stay don t have a thing to do with being in love  
And I understand that lovin a man shouldn t have, to be this rough  
You ain t the only one who feels like this worlds left you far behind  
I don t know why you gotta be Angry All the Time

VERSE 2

Our boys are strong now, the spittin image of you when you were young  
I hope someday, they can see past, what you have become.
