INTRO: **E C#m E C#m E B B7 C#m E**

**C#m E C#m**  
Well you don t like,don t like the way I walk Well you don t like,don t

**E**  
like the way I talk

**B B7 C#m E**  
You criticize about me endlessly logic defis how you get stuck with me  
**C#m E C#m E**  
and you complain about the clothes I wear and you explain there s other boys out there

**B B7 C#m E**  
You complain my car makes too much noise, and you cry Iâ€™m always out with the boys

**C#m E C#m B**  
[Rit.]Woha Whoa I give up little darling, yeah no matter what I do,  
**B7 F#m E**  
girl you know it s true ain t good enough for you

You complain the way I love you at night You explain I m really not your type  
if we go out you say I m such a bore if we stay in you say what are we living  
for  
I dont understand there s nothing I can do,there ain t no way I can satisfy  
you.  
End of the night I lean in for a kiss, here comes the pitch, a swing and a miss.

[Rit.]

I tried to change, I got a job in sales, I bought a shirt uptown in  
Bloomingsdale  
and babe I tried to make the latest scene, hittin cool just like Jimmy Iovine,  
I bought a  
record with all the latest grooves, a book of love with all the latest moves, I

bought

some flowers and I wait at your door and you came out didn t want to see me no  
more

[Rit.]
