Spend your life waiting

We ll keep pushin till it s understood

**A**

**C#m B E E A A B**

And these badlands start treating us good

VERSE II: Use the same chords from the first verse. (In some live versions, Bruce does a little note picking when the chords change. It seemed easy enough to tab out.

A | 7----- |

Workin in the fiedls

E | -7-5-7 |

Till you get your back

burned

Workin `neath the wheel

Till you get your facts learned

Baby I got my facts

Learned real good right now

You better get it straight darling

Poor man wanna be rich,

Rich man wanna be king

And a king ain t satisfied

Till he rules everything

I wanna go out tonight,

I wanna find out what I got

Well I believe in the love that you gave me

I believe in the love that you gave me

I believe in the faith that could save me

I believe in the hope

And I pray that some day

It may raise me above these

CHORUS: Same chords as before.

INTERLUDE:

E A B

mmmmmmmm, mmmmm, mmmmm X4

VERSE III: Still the same chords. Turn your guitar up, and palm mute The chords as you play them.

For the ones who had a notion,

A notion deep inside

That it ain t no sin

To be glad you re alive

I wanna find one face

That ain t looking through me

I wanna find one place,

I wanna spit in the face of these badlands

CHORUS: Same chords. End with:

BADLANDS! WHOA WHOA WHOA WHOA X4
