Bruce Springsteen ? Blood Brothers

Intro: D (Shift between D and D4 throughout the whole song if there?s a D noted)

We played king of the mountain out on the end
D D
Bm A

The world come chargin? up the hill, and we were women and men
D D

Now there?s so much that time, time and memory fade away
Bm A D

We got our own roads to ride and chances we gotta take
Bm A D

We stood side by side each one fightin? for the other
G D
Bm A D

We said until we died we?d always be blood brothers
Bm A D

Now the hardness of this world slowly grinds your dreams away
Makin? a fool?s joke out of the promises we make
And what once seemed black and white turns to so many shades of gray
We lose ourselves in work to, work to do and bills to pay

And it?s a ride, ride, ride, and there ain?t much cover
With no runnin? by your side my blood brother

On through the houses of the dead past those fallen in their tracks
G D
G A (let ring)

Always movin? ahead and never lookin? back

Now I don?t know how I feel, I don?t know how I feel tonight
If I?ve fallen ?neath the wheel, if I?ve lost or I?ve gained sight
I don?t even know why, I don?t know why I made this call
Or if any of this matters anymore after all

But the stars are burnin? bright like some mystery uncovered
I?ll keep movin? through the dark with you in my heart my blood brother

(Fade Out)
