I came to get you last night, Cindy at quarter to six Your Daddy came to the door, he said Cindy got sick She got sent home from work with a note from the nurse And I worry your presence would make her condition worse

```
But it ain t your health, cuz you sure look so fine
``` Little girl it s something else that \(s\) on my mind Whatever you got, well you can give it me
Cuz if it \(s\) good enough for you it \(s\) good enough for me

I don \(t\) know why I love you like I do You make me cry and feel like a fool

I guess I like it when you hurt me this way
You dish it out and I just put it away
