

Down In The Hole
Bruce Springsteen

Am

Sun comes every morning but it ain't no friend

Am **C**

I get dressed and I go back again

Am

The rain keeps on falling on twisted bones and dirt

Am **C**

I'm buried to my heart here in this hurt

F **C** **G**

Fire keeps on burning, you're waiting in the cold

Am

Down in the hole

Am

Dark and bloody autumn pierces my heart

Am **C**

The memory of your kiss tears me apart

Am

The sky above is turning, the world below's gone gray

Am **C**

I thought that I could turn and walk away

F **C** **G**

Fire keeps on burning, and I'm working in the cold

Am

Down in the hole

F

C

G

Radio's crackling with the headlines, wind in the phone lines

F **C** **G**

The sun upon your shoulder, empty city skylines

F **C** **Am**

The day rips apart, a dark and bloody arrow pierced my heart

Am

I got nothing but heart and sky and sunshine, the things you left behind

Am **C**

I wake to find my city's gone to black

Am

The days just keep on falling, your voice it keeps on calling

Am **C**

I'm gonna dig right here until I get you back

F **C** **G**

Fires keep on burning, I'm here with you in the cold
