C F C
Early in the morning factory whistle blows,
G
Man rises from bed and puts on his clothes,
C F C
Man takes his lunch, walks out in the morning light,
G F C
It s the working, the working, just the working life.

F C
Through the mansions of fear, through the mansions of pain,
G
I see my daddy walking through them factory gates in the rain,
C F C
Factory takes his hearing, factory gives him life,
G F C
The working, the working, just the working life.

End of the day, factory whistle cries,
G
Men walk through these gates with death in their eyes.
C F C
And you just better believe, boy, somebody s gonna get hurt tonight,
G F C
It s the working, the working, just the working life.

G F C
Cause it s the working, the working, just the working life.
