Early in the morning factory whistle blows,

G
Man rises from bed and puts on his clothes,

C F C
Man takes his lunch, walks out in the morning light,

G F C
It s the working, the working, just the working life.

F C
Through the mansions of fear, through the mansions of pain,

G
I see my daddy walking through them factory gates in the rain,

C F C
Factory takes his hearing, factory gives him life,

G F C
The working, the working, just the working life.

End of the day, factory whistle cries,

G
Men walk through these gates with death in their eyes.

C F C
And you just better believe, boy, somebody s gonna get hurt tonight,

G F C
It s the working, the working, just the working life.

G F C
Cause it s the working, the working, just the working life.
