We get dressed up and we go, out, baby, for the night
We come home early burning buning, burning in some fire fight
I m sick and tired of you setting me up, yeah
Setting me up just to knock-a knock-a knock-a me

[Chorus]

Down, down, down, down
I m goin down down down down
I m goin down down down down
I m goin down down down down

Sax Solo

[Verse]

I pull you close now baby, but when we kiss I can feel a doubt
I remember back when we started
My kisses used to turn you inside out
I used to drive you to work in the morning
Friday night I'd drive you all around
You used to love to drive me wild yeah
But lately girl you get your kicks from just driving me

[Chorus]

Down, down, down, down
I m goin down down down down
I m goin down down down down
I m goin down down down down

I m goin down down down down
I m goin down down down down
I m goin down down down down
I m goin down, hey Bop a de da down

I m goin down down down down
I m goin down hey Bop a de da down

Hey hey bop a de da down down down down
