

Just Like Fire Would
Bruce Springsteen

Intro: C G F C G F C G F C G F

C G F
One night in a motel room
C G F
Eyes cast like steel
C G F
I drank the wine that they left on my table
C G F
I knew the morning was too far
C G F
I smoked my last cigarette
C G F
Stay only to defy
C G F
The night was dark and the land is cold
C G F
I was frozen right to the bone

F G C
Just like fire would, I burn
F G C C
Just like fire would
F G C
Just like fire would, I burned up

C G F
Five hundred miles I've gone today
C G F
And tomorrow's five hundred more
C G F
Outside my window the world passes by
C G F
It's stranger than a dream

F G C
Just like fire would, I burn
F G C
Just like fire would
F G C
Just like fire would, I burned up

C G F
I go to work and I earn my pay load
C G F

My sweat falls to the ground

C G F

I see you now but we may never meet again, child

C G F

The ice is hanging on the door

C G F C G F C G F C G F C G F

C G F

One night in a motel room

C G F

Eyes cast like steel

C G F

I drank the wine that they left on my table

C G F

I knew the morning was too far

F G C

Just like fire would, I burn

F G C

Just like fire would

F G C

Just like fire would, I burned up

F G C

Just like fire would, I burn

F G C

Just like fire would

F G C

Just like fire would, I burned up
