** pull off then: * hammer on

= downstroke

^ = upstroke

I also throw in some pull-off/hammer-ons on the Gstring when it goes up to the Dchord.

```

G                C
I wanna build me a house on higher ground
G                C
I wanna find me a word where love s the only sound
D                C
High above this road, pale with shiver and doubt

```

D C
I wanna show you my love, figure it all out

With Leah

G C

I walk this road with a hammer and a fiery lantern
With this hand I build, and with this I burn
I wanna live in the same house, beneath the same roof
Sleep in the same bed, search for the same proof
As Leah

I ve got something in my heart I ve been waiting to give
I ve got a life I wanna start, yeah, one I ve been waiting to live
No more waitin , tonight I feel the light, I say a prayer
I open the door, I climb the stairs
