The Long Goodbye - Bruce Springsteen

My soul went walkin but I stayed here

Feel like I been workin for a thousand years

Chippin away at this chain of my own lies

Climbin a wall a hundred miles high

Well I woke up this morning on the other side

Yeah yeah this is the long goodbye

Hey yeah this is the long goodbye

Same old faces it s the same old town

What once was laughs is draggin me now

Waitin on rain hangin on for love

Words of forgiveness from some God above

Ain t no words of mercy comin from on high

Yeah yeah just one long goodbye

Hey yeah this is the long goodbye

Well I went to leave twenty years ago

Since then I guess I been packin kind of slow

Sure did like that admirin touch

Guess I liked it a little too much

The moon is high and here I am

Sittin here with this hammer in my hand

One more drink oughta ease the pain

Starin at that last link in the chain

Well let s raise our glass and let the hammer fly

hey yeah this is the long goodbye

Hey yeah this is the long goodbye

Kiss me baby and we re gonna fly

Hey yeah this is the long goodbye

Yeah yeah this is the long goodbye

Hey yeah this is the long goodbye

Kiss me baby cause we re gonna ride

Yeah yeah this is the long goodbye
